

MONARCH

MONARCH

TECHNICAL DATA

DESCRIPTION

Chair, or better said armchair, of a very elegant look, constructed from soft materials to make seating as comfortable as possible.

TECHNICAL CHARACTERISTICS

- Seat and back are pillowed with soft polyurethane foam and velvet decorative fabric in two different colours
- Ergonomically shaped seat, back and armrest
- Legs and frame of the chair are constructed from solid willow wood, which largely contributes to firmness and stability of the chair.

H – height
W – width
L – length
SH – sitting height
