TEHNIICAL DATA

DESCRIPTION

From side panels coated in frosted glass to rounded wood feet, this sophisticated (and sustainably sourced) storage piece stands out in the details. And its gently rounded shape is nothing less than artful.

TECHNICAL CHARACTERISTICS

- All drawers are equipped with soft-close function (Bloom System).
- The frosted, high-quality glass coating of the side panels is remarkable and a real highlight.
- The rounded solid wood feet match the modern shape of the Skandi collection perfectly.
