

CAPULET

EXPRESSIVE TEXTURE □ 100% POLYESTER

The Capulet is a fabric woven from threads of different colors, which is why an unusual color palette was obtained. It is extremely long-lasting and does not contain dangerous substances. It has an interesting texture and is soft to the touch. It is of German origin, and during its production all European measures and norms were strictly observed.

Firmness:

Firmness represents the resistance of fabrics to wear. On the skin this refers to scratches, while on fabrics they refer to rubbing during cleansing.

More full dots = more firmness

Maintenance:

Maintenance is the resistance of the fabric to stains. Fabrics with a maximum grade are stain resistant and can be cleaned with a number of different cleaning products.

More full dots = easier maintenance

Color fastness:

Color fastness is the resistance of a fabric to UV radiation. There are fabrics and skins that are protected from bleaching caused by UV radiation.

More full dots = more color fastness

100% SOLID WOOD

The solid wood found in our products comes from controlled sources and is FSC certified. Oak wood is hard, solid and durable, and stands out with fine and regular rings, and a specific golden-yellow color.

Oak Natur:

Natural oil is used as wood protection in this finishing. It emphasizes the color and structure of the wood, and leaves no visible and tangible film on the surface. Oak natur as a finish mimics the natural color and texture of oak.
